

**Glide your business into  
the future of productivity.**

**All you need is an Internet  
connection.**

## IT HOST

Why pay big money for licenses, buy expensive IT equipment, invest in training or hire extra in-house expertise?

Through the Microsoft® intuitive suite of hosted services like Exchange and SharePoint, IT Mission provides a dynamic range of software services available on a hosted basis. Rather than running software locally & installed on each PC, applications are accessible with ultimate security over the web.

You'll get a highly secure, central location where your employees can share documents, easily collaborate with team members, find organizational resources, manage content and workflow and instantly gain business insights to make better-informed decisions.

Harness the power of IT Host for all your critical office productivity solutions. You'll get the right tools at the right time, for a fraction of the cost.

**What are you waiting for? Call 1.888.243.1920.**

**Share processes quickly & mobilize communications**  
**Increase content value with consistent experience**  
**Boost productivity by simplifying business activities**  
**Simplify access, org-wide & across disparate systems**  
**Inform your decisions & centralize critical information**  
**Enjoy a single, integrated platform managing all Inter,  
intra & extranet applications**
